(b) This subsection (4) does not allow a permitholder to shoot across the roadway of any public highway or to hunt on private property without permission of the landowner.

(c) A permitholder must have a companion to assist in immediately dressing any killed game animal. The companion may also assist the permitholder by hunting a game animal that has been wounded by the permitholder when the permitholder is unable to pursue and kill the wounded game animal.

(d) Any vehicle from which a permitholder is hunting must be conspicuously marked with an orange-colored international symbol of persons with disabilities on the front, rear, and each side of the vehicle, or as prescribed by the department.

(6) (a) A resident of Montana who is certified by the department as experiencing blindness, as defined in 53-7-301, may be issued a lifetime fishing license for the blind upon payment of a one-time fee of \$10. (8) As used in this section, "disabled person", "person with a disability", or "disabled" means or refers to a person experiencing a condition medically determined to be permanent and substantial and resulting in significant impairment of the person's functional ability.

(9) A person is entitled to a permit to hunt from a vehicle if the person:

(a) is certified by a licensed physician, an advanced practice registered nurse, or a licensed physician assistant to be dependent on an oxygen device or dependent on a wheelchair, crutch, or cane for mobility;

A member who participated in a contingency operation after September 11, 2001, that required the member to serve at least 2 months outside of the state may make an election in 2007 or in the year following the member's return, based on the member's election, and in any of the 4 years after the member's election and be entitled to a free resident wildlife conservation license or a free Class

AAA resident combination sports license in the year of election and in any of the 4 years after the member's election.

(b) To be eligible for the free resident wildlife conservation license or free Class AAA resident combination sports license provided for in subsection (12)(a), an applicant shall, in addition to the written application and proof of residency required in 87-2-202(1), provide to any regional department office or to the department headquarters in Helena, by mail or in person, the member's DD form 214 verifying the member's release or discharge from active duty. The applicant is responsible for providing documentation showing that the applicant participated in a contingency operation as provided in 10 U.S.C. 101(a)(13).

(c) A Montana resident who meets the service qualifications of subsection (12)(a) and the documentation required in subsection (12)(b) is entitled to a free Class A resident fishing license in the license year that the member returns from military service or in the year following the member's return, based on the member's election, and in any of the 4 years after the member's election.
